SUBMITTAL REQUIREMENTS. Please ensure all submittal requirements are included. The Planning Department will not hold or process incomplete applications. Partial or incomplete applications will be returned to the applicant. Go to www.townofjackson.com/200/Planning and select the relevant application type for submittal requirements.

Have you attached the following?

_____ **Application Fee.** Fees are cumulative. Go to www.townofjackson.com/200/Planning and select the relevant application type for the fees.

_____ **Notarized Letter of Authorization.** A notarized letter of consent from the landowner is required if the applicant is not the owner, or if an agent is applying on behalf of the landowner. Please see the Letter of Authorization template at www.townofjackson.com/DocumentCenter/View/102/Town-Fee-Schedule-PDF.

_____ **Response to Submittal Requirements.** The submittal requirements can be found on the TOJ website for the specific application. If a pre-application conference is required, the submittal requirements will be provided to applicant at the conference. The submittal requirements are at www.townofjackson.com/200/Planning under the relevant application type.

Note: Information provided by the applicant or other review agencies during the planning process may identify other requirements that were not evident at the time of application submittal or a Pre-Application Conference, if held. Staff may request additional materials during review as needed to determine compliance with the LDRs.

Under penalty of perjury, I hereby certify that I have read this application and associated checklists and state that, to the best of my knowledge, all information submitted in this request is true and correct. I agree to comply with all county and state laws relating to the subject matter of this application, and hereby authorize representatives of Teton County to enter upon the above-mentioned property during normal business hours, after making a reasonable effort to contact the owner/applicant prior to entering.

RE: 165-185 Glenwood Street- Development Option Plan

Dear Paul,

Thank you for taking the time to discuss the Glenwood & Gill project. As a follow up to our conversation we are submitting this Development Option Plan Application to clarify the extent of our flexibility in maneuvering unit classifications (Short-Term Rental, Workforce Housing Bonus, Workforce Housing) throughout the development and we request that the following Development Option Plan be reviewed and approved as minor changes to the previously approved Development Plan for 165-185 Glenwood Street.

Summary of Proposed Changes

- At the time of Development Plan submittal, the plan showed a 12 Short-Term Rental Units, 5 Workforce Housing Bonus Units and 3 Workforce Housing Units and a diagram was provided showing which units would receive each classification. Since then, a prior Development Option Plan was approved that created an additional Workforce Housing Unit. Based on our calculations, we believe that we have the ability to transition one of the Workforce Housing Bonus Units in Phase 1 (185 Glenwood) to a Short-Term Rental Unit while staying within the 1.30 Base FAR threshold and the Workforce Housing 2:1 Bonus square footage threshold. Shifting one unit to Short-Term Rental will result in an affordable housing fee in lieu of \$92,169.36. Please see the attached Housing Mitigation Calculator and note that all units in Phase 1 that will be either Short-Term Rental or Workforce Housing Bonus have 3-bedrooms, so the fee in lieu will be consistent regardless of final allocation.

We also request that the designation of any unit as Short-Term Rental or Workforce Housing Bonus be allowed to be modified until the unit is sold to the initial purchaser. This flexibility will help the sales process and contribute to the success of the development as certain buyers value the short-term rental ability more than others. A breakout of each unit is provided as an attachment.

We understand that the development must remain within all thresholds of the Land Development Regulations and will provide an updated site plan with the individual unit classifications as units are sold. We project the following unit mix for Phase 1:

- Short-Term Rental Units- 13 units not to exceed 35,484 square feet above grade
 - The 13 largest units total 35,335 square feet above grade, so the threshold of 35,484 square feet will be maintained regardless of final unit allocation

- Workforce Housing Bonus Units- 4 units not to exceed 12,774 square feet above grade
 - The 4 largest units total 11,089 square feet, so the threshold of 12,774 will be maintained regardless of final unit allocation
- Workforce Housing Units- 4 units totaling 6,387 square feet above grade
- The project has 4 Workforce Housing Units in Phase 1 and 2 Workforce Housing Units in Phase 2. It is our understanding that the choice of either a Workforce Housing Ownership Deed Restriction or a Workforce Housing Rental Deed Restriction is at our discretion and we ask that staff clarify this point.

Attached is an updated Housing Mitigation Calculator and FAR calculations that show the project will still be in compliance with all applicable regulations.

Please let us know if you have any questions as you review this request.

Sincerely,

A handwritten signature in black ink, appearing to read 'NO', with a stylized flourish at the end.

Nick Orthmann
