The event will include a short speaking program. The applicant requests the use of parking spaces along the east side of Cache (between Deloney and Broadway) in order to park Fire Department vehicles. The applicant expects that approximately 100 spectators will attend the memorial and requests the following in association with the event:

The applicant expects that approximately 50 participants will climb Snow King and requests the following in association with the event:

- Temporary parking closure of up to approximately 20 parking spaces in the Snow King ballfield parking lot along the north side of the parking lot (closest to center field). The temporary parking closure is requested for September 11th from 5:00 P.M. until 8:00 P.M. The applicant plans to stage approximately 3 fire trucks and up to 6 law enforcement vehicles.

The request for reserved parking at the base of Snow King is a new request for this year. The applicant has spoken with the General Manager of Snow King Mountain Resort about this request. No other formal special events are taking place in the Snow King ballfield that evening.
