

## **Town Council Email Messages**

*Effective 12/14/2020*

The list posted on this page represents the previous three months of email messages received by the Town of Jackson for the Mayor and members of the Town Council related to Town business.

This list does not represent the archived repository of public comment that the Town retains pursuant to Wyoming Statutes.

The Town reserves the right to redact email messages pursuant to applicable State Statutes and to amend internal policies and procedures at any time based on operational needs, staffing availability, or budgetary impacts, while remaining compliant with Wyoming State Statutes.

Processed emails are combined in PDF formatted files and require a standard PDF reader to open and view.

There are two files for each batch of emails:

1. PDF Portfolio. You may need to download the file before utilizing the portfolio features. You can view it online using Firefox.
2. PDF Format. One long continuous PDF.

If needed, download the free PDF viewer:
