

# TRADE EQUITABILITY RESOLUTION

Be it Resolved, that The Town of Jackson Board of Examiners shall henceforth accept the qualifications of the following states or cities and their respective categories as meeting and/or exceeding the requirements of the Town of Jackson in the aforementioned category and trade. Therefore, the Board of Examiners will not need to review every individual application for Certificate of Qualification that is submitted to the Town of Jackson Building Department, so long as the Board of Examiners has considered and approved that entities' requirements for that particular trade and category.

The following list shall be ongoing and items may be added to or removed from the list as the Board of Examiners so deems:

Idaho, State of - Journeyman plumber  
Idaho, State of - Plumbing Contractor shall be equivalent to our Master Certificate of Qualification
