120 HANSEN NARRATIVE

NARRATIVE PROJECT DESCRIPTION

1. Existing Property Conditions

The property, 120 East Hansen Avenue, is currently a vacant residential lot. This property is in the Town of Jackson Office Residential (OR) zone. It is not in any zoning overlays, i.e. Natural Resource Overlay, Scenic Resource Overlay, TOJ Lodging Overlay, or the Office Use Permitted overlay. The property is not in the Wildland Urban Interface zone or FEMA flood zone. All information is based on the Teton County GIS.

2. Character of Project

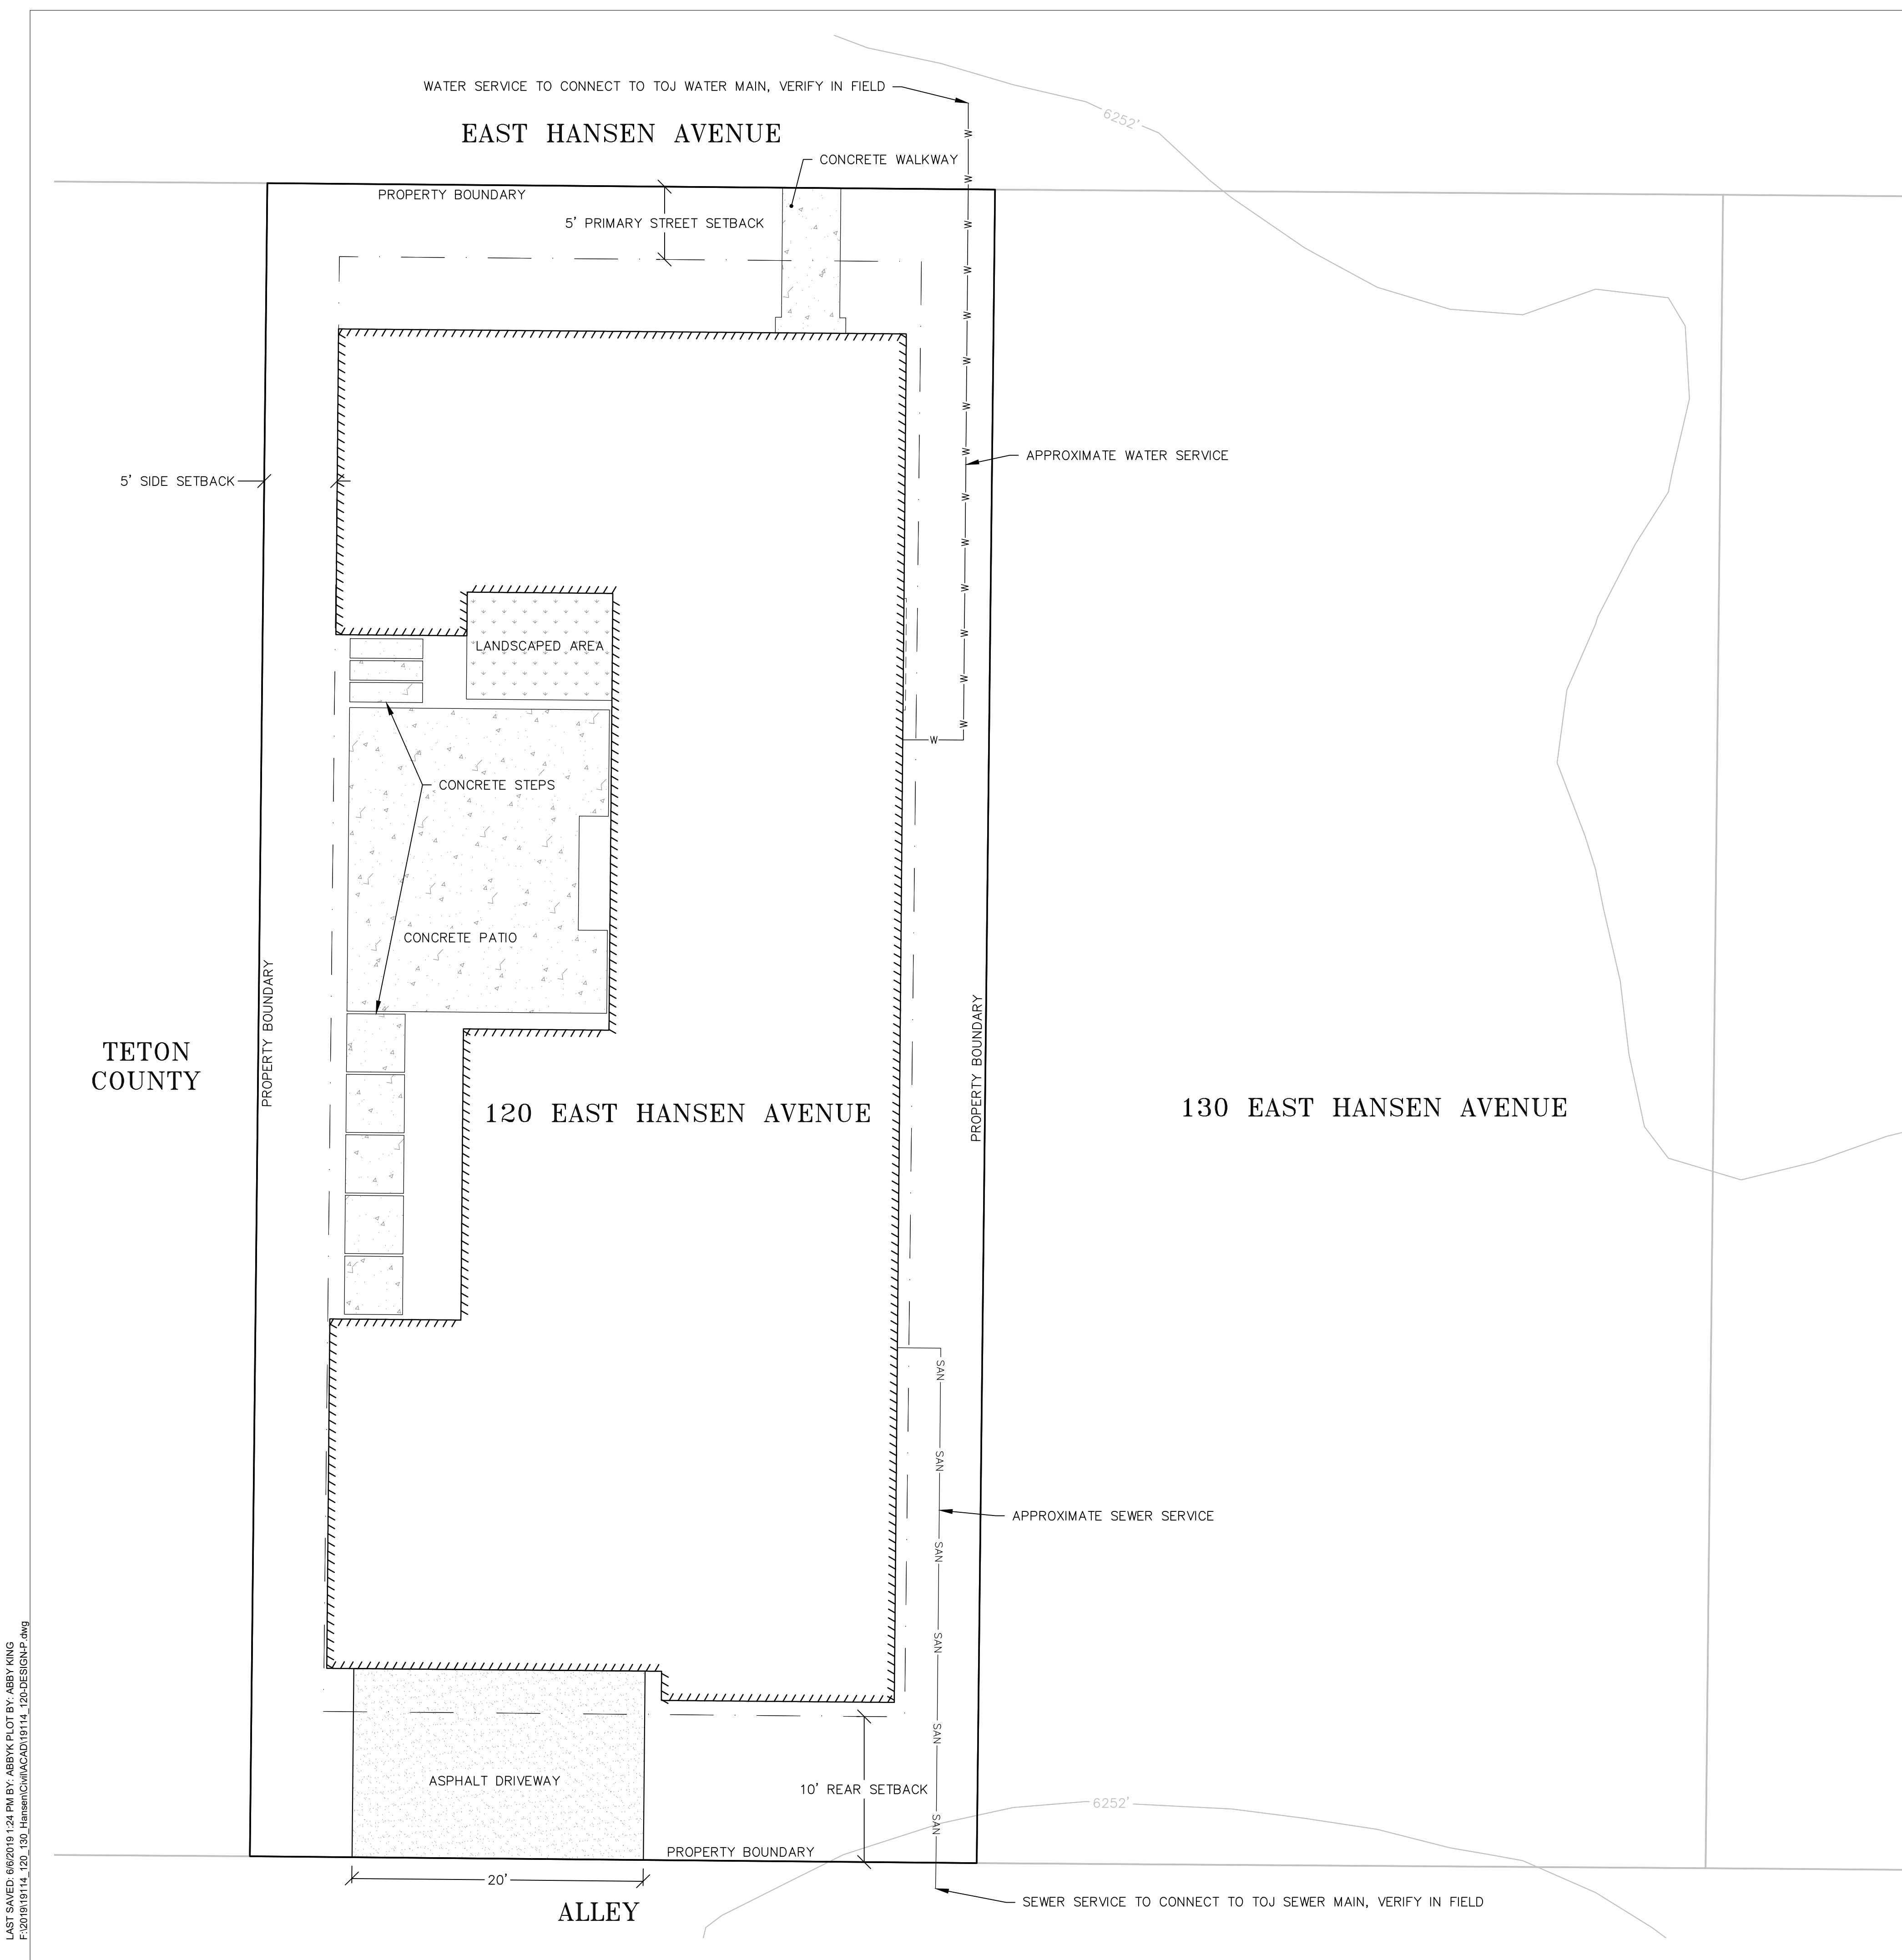

The property owner would like to build two attached single-family residences and a single driveway that would blend into the existing neighborhood. The 2-story residence would focus on the character set forth by the current Town of Jackson's Land Development Regulations and the vision that they provide for the town. The design proposes smaller volume structures connected in order to appear custom and better match the scale of the adjacent buildings. The surrounding lots are either single family homes or Teton County property. The site will include a pedestrian frontage including sidewalks, landscaping, and lighting.

3. Intended Development

The property owner would like to build one single-family residence and driveway that adheres to the Town of Jackson Land Development Regulations.

4. Proposed Amendments to the LDR's

There are no proposed amendments to the Town of Jackson Land Development Regulations.
