START Bus Begins to Ramp Service Back Up

Jackson, Wyo. June 3, 2020 – Beginning on Saturday, June 6, 2020, START Bus will be resuming weekend service to Teton Village and extending the Town Shuttle service. This change is the first increase in service since right-sizing measures to service began in March due to COVID-19. START Bus has been experiencing incremental ridership increases as businesses and local attractions begin to re-open.

“START Bus will begin ramping service back towards normal operations in an effort to be adaptive to the community’s transportation needs,” said Darren Brugmann, START Bus Director. “As START Bus ridership increases, we will continue to monitor demand and respond appropriately.”

Please note that even with this service increase, START Bus is still operating on a modified Summer Schedule. To see the full schedule please [CLICK HERE](https://www.jacksonwy.gov/404/Schedules) or follow this link:
