How to download list of property owners within 200 feet

Go to <https://gis.tetoncountywy.gov/portal/apps/sites/#/teton-county-gis-hub>

Scroll down the page until you find the Address Mailer Application Icon and open the app.

In the Notify Addresses inset box, search the property address, select 'apply a search distance', and set the number to 200.

Select either 'review' or 'download' to view the mailing addresses in a CSV file.
