Article IV **USE AND CONDUCT**

1. **Framework for Regulation.** The Governing Documents establish, as part of the general plan of development and use for the Property, a framework of affirmative and negative covenants, easements, and restrictions which govern the Property.
2. **Owners' Acknowledgement and Notice to Purchasers.** All Owners are hereby given notice that use of their Lot and the Limited Common Areas are limited by the Governing Documents as they may be amended, expanded, and otherwise modified hereunder. 3. **Limitation to Residential Use.** Lots and Limited Common Areas shall be used for residential purposes only. No commercial use shall be made of any Lot, and no building or structure shall be intended for or adapted to commercial use; provided, however, that these prohibitions shall not preclude "home occupations" as currently defined in Town of Jackson Land Development Regulation Section 6.1.1 1.D (or any successor, similar ordinance), or any professional, home occupations or cultural activities in the home, such as painting, sculpturing, writing, music, art and craft work, and similar cultural activities, even if such activities may bring remuneration to the person or persons participating therein; provided that any such professional or cultural use is permitted by all necessary governmental authorities, and does not create a nuisance to Owners or occupants of other Lots. Professional or cultural uses that require any additional parking or that involve customers or clients coming to the Property shall not be permitted unless approved in advance by the Board and shall be subject to whatever additional regulations established by the Board regarding such use to minimize the impact upon Owners.

Without limiting the generality of the foregoing, the Association may require the owner or custodian of a dog that barks or howls excessively, or of a pet with other offensive habits, to confine such animal indoors. In the event that the Board shall determine that a pet has become a "nuisance pet," a written notice of violation shall be delivered to the Owner or custodian of the nuisance pet, and if the nuisance pet is not removed from the Property within seventy-two (72) hours thereafter, the Board shall have the right to remove the nuisance pet, or cause the nuisance pet to be removed and kenneled, at the sole expense of the Owner of the Lot on which the nuisance pet is boarded and to enter upon an Owner's Lot for such purpose, all without liability on the part of the Board. Any costs associated with responding to complaints of a nuisance pet may be levied against an Owner or occupant as a specific assessment, and the Board shall have the right to assess a penalty of up to \$50 per day against any Owner of a Lot where a nuisance pet is kept until the nuisance is abated in the discretion of the Board.

5. Wildlife. The feeding of wildlife is prohibited. Notwithstanding the foregoing, Owners or occupants may maintain bird feeders within their respective Lots and Limited Common Areas.

11. Fences. No Owner may erect a fence on any portion of the Common Area or Limited Common Area without the prior approval of the Board. If approved by the Board, fencing must also comply with any applicable regulations in the Land Development Regulations of the Town of Jackson.
12. No Subdivision or Partition. No Lot may be further subdivided. The Common Area may not be partitioned, and each member waives any right of partition as to the Common Area.

In the event the Board fails to approve or disapprove such design and location within thirty (30) days after said plan and specifications have been submitted to it, approval will not be required, and this Section shall be deemed to have been fully complied with. This provision shall be in addition to any building codes or land use development regulations of the Town of Jackson. Any Owner may remodel, paint or redecorate the interior of structures on his or her Lot

without approval from the Board. However, modifications (including new or changed exterior painting or siding) to the exterior of improvements on a Lot or the Limited Common Areas shall be subject to prior Board approval. No approval shall be required to rebuild a damaged structure substantially in accordance with originally approved plans and specifications or original construction.

2. **Lot and Common Area Maintenance.** The Association shall be responsible for maintenance and repair of exterior elements constructed on the Property including, but not limited to routine painting and staining; repair, replacement and care of shingles, gutters, downspouts, fences, gates and exterior building surfaces (with the exception of windows/glass surfaces), and the cost of such maintenance, repair and replacement shall be part of the common assessment. The Association shall be responsible for the maintenance and repair of the Common Area and Limited Common Areas, including providing routine irrigation, landscaping, and snow removal services, and the cost of such maintenance, repair and replacement shall be part of the common assessments. In the event the Board determines that the need for any specific maintenance, repair or replacement is caused through the willful or negligent act of an Owner, or the family, guests, tenants or invitees, or pets of an Owner, the cost of such maintenance or repair shall be assessed to the Lot of that Owner. Notwithstanding anything herein contained to the contrary, each Lot Owner shall have the responsibility to keep in a clean, safe, and sanitary condition, at such Lot Owner's sole expense, their appurtenant Limited Common Area. Each Owner shall be responsible for the maintenance and repair of his or her Lot's foundation, windows/glass surfaces, structural bearing members, and all interior aspects of improvements located on the Owner's Lots. If an Owner fails to perform the required maintenance on his or her Lot or appurtenant Limited Common Areas as required under this Section (with the exception of interior aspects of improvements located on the Lot), the Board may, at its election, provide the maintenance to a Lot or appurtenant Limited Common Areas and assess a specific assessment against the Owner of such Lot for repayment of all costs associated therewith, including reasonable administrative fees.
3. **Common Utilities, Facilities and Services.** In the event that one or more Lots utilize a common utility service, common utility infrastructure or other types of facilities or services at the Property that are utilized in common, including but not limited to, sewer or water lines, electrical lines, or power boxes, such common utilities, facilities and services shall be maintained, repaired and replaced, as needed, by the Association, and all costs associated therewith shall be paid on a pro rata basis by the Owners of all Lots utilizing such common utilities, facilities and services. In the event that the need for maintenance, repair or replacement of a common utility, facility or service is caused through the willful or negligent act of an Owner, or the family, guests, tenants, invitees, or pets of an Owner, the cost of such maintenance or repair shall be assessed to the Lot of said relevant Owner. Notwithstanding anything herein contained to the contrary, each Lot Owner shall have the responsibility to maintain, repair, replace and keep in a clean, safe and sanitary condition, at such Lot Owner's expense, all portions of the Owner's Lot and utilities and facilities specifically serving the Owner's Lot.

Article VI

THE ASSOCIATION AND ITS MEMBERS; BOARD

1. **Function of Association.** To the extent not otherwise delegated to the Owners in the Governing Documents, the Association, through its Board, shall be responsible for the administration, management, maintenance, operation, and control of the Property and shall also be responsible for enforcement of the Governing Documents, which may also be enforced by the Owners and during any period in which the Declarant owns any portion of the Property and for a period of five years thereafter, the Declarant. The Association, through its Board, shall also be responsible for performing all duties and obligations of the Association as set forth in the Governing Documents. The Association shall perform its functions in accordance with the Governing Documents and the laws of the State of Wyoming. In furtherance of its functions, the Association is authorized to enter into and terminate, in the Board's discretion, contracts or agreements with service providers, to provide services to the Property for the Owners of the Association and their occupants, guests, and invitees. By way of example, some services which may be contracted for include legal, accounting, snow removal, trash and recycling removal, landscape maintenance, and similar services. The Association may exercise any right or privilege given to it expressly by the Governing Documents, and every other right or privilege reasonably to be implied therefrom or reasonably necessary to effectuate any such right or privilege, including establishing rules and regulations that are consistent with the Governing Documents.
2. **Membership.** Every Owner of a Lot shall be a Member of the Association. Membership in the Association is appurtenant to the ownership of a Lot and may not be severed from the ownership of a Lot. Membership in the Association is mandatory, and no Owner of a Lot may withdraw from membership as a Member in the Association. There shall be only one membership per Lot. If a Lot is owned by more than one person, all co-Owners shall share the privileges of such membership, subject to the restrictions on voting set forth in the Governing Documents, and all such co-Owners shall be jointly and severally obligated to perform the responsibilities of Owners. The membership rights of an Owner which is not a natural person may be exercised by any officer, director, partner, member, manager, or trustee, or by the individual designated from time to time by the Owner in a written instrument provided to the Board.
3. **Voting of Members and Board.** The Association shall have one class of membership. Members shall have one equal vote for each Lot in which they hold the interest required for membership. The vote for each Lot owned by a Member shall be exercised by the Owner of the Lot. In any situation where there is more than one Owner of such Lot, the vote for such Lot shall be exercised as the co-Owners determine among themselves and advise the Board in writing prior to the vote being taken. Absent such advice, the vote appurtenant to such Lot shall be suspended if more than one person seeks to exercise it. Voting rights as to each Lot shall vest upon the recordation of the SCTA Plat establishing the Lots. All votes, consents, or determinations to be made by the Board or by the Members

of the Association shall be approved by a majority of those qualified to vote. Any action requiring a vote by the Board or the Members shall fail unless it is approved by a majority of those entitled to vote, unless a different approval requirement is set forth in this Declaration, the Bylaws, or the Wyoming Nonprofit Corporation Act or its successor.

4. **Restricted Voting in the Event of a Default.** In the event that an Owner is in breach or default of the provisions of this Declaration, then the Board shall have the authority in its discretion to suspend such Owner's and Board member's voting rights until the Board determines the Owner's default is cured. Such Owner or Board member shall, during the period of such uncured breach or default, not be counted for the purposes of determining a quorum or for the purposes of whether a necessary amount of votes have been obtained. Notwithstanding the foregoing, an Owner's right to vote concerning any amendment of the Governing Documents shall not be suspended based upon the Owner's default under this Declaration.

Article VII **COVENANT FOR MAINTENANCE ASSESSMENTS**

1. **Personal Obligation of Assessments.** The Declarant, for each Lot owned, and each Owner of any Lot by acceptance of a deed therefore, is deemed to covenant and agree to pay the Association the following assessments:
 - (a) annual assessments;
 - (b) special assessments for amounts incurred or required to be expended by the Association for which annual assessments are insufficient;
 - (c) specific assessments to a specific Owner for any costs or damages caused by a specific Owner or such Owner's tenants, guests, invitees, or pets, or due to a breach or default of this Declaration by such persons; and
 - (d) all monetary fines assessed by the Board.
2. **Creation of Lien.** Until paid in full, the annual, special, and specific assessments and fines, together with interest, costs, and reasonable attorney's fees, shall constitute a present and continuing lien upon the Lots against which such assessments are made without the need to file a notice of lien in any public record. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the Owner at the time when the assessment fell due.
3. **Purpose of Assessments.** The assessments levied by the Association shall be used exclusively to promote the health, safety, and welfare of the Owners and occupants of the Property for the improvement, maintenance, repair and replacement of the Common Area and Limited Common Areas, common utilities, common services, and the exterior elements of the improvements on the Property and may also be used to obtain and maintain casualty and liability insurance on Common Areas and Limited Common Areas or in

relation to the Association's officers, directors, and employees.

4. **Annual Assessment.** The amount of the annual assessments shall be determined by the Board and shall be based upon advance estimates of cash requirements of the Association to provide for the payment of all costs and expenses arising out of or connected with the following: (a) the administration and management of the Property, (b) taxes and assessments on Common Area or Limited Common Areas from governmental or quasi-governmental entities or agencies, (c) premiums for all insurance which the Association is required or permitted to maintain hereunder, (d) legal, audit and accounting fees, (e) the routine maintenance, repair, and replacement of the Common Area, Limited Common Area, common utilities, fences and gates, and the exterior elements of improvements on the Lots, (f) amounts necessary to eliminate any deficit remaining from a previous period, (g) the creation of a reasonable reserve fund for periodic preventative maintenance, repair, and replacements and/or for future capital improvements or expenditures, and (h) any other operating, administrative and management costs, expenses and liabilities which may be incurred by the Association for the benefit of all the Owners or by reason of this Declaration. The Board shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment, as well as the estimated budget it was based on, shall be sent to every Owner. The due dates shall be established by the Board but in no event be due less than thirty (30) days after notice of the assessment is sent to the Owners. Failure of the Association to give written notice of the assessment shall not affect the liability of the Owner of any Lot for such assessment, but the date when payment shall be due in such case shall be deferred to a date thirty (30) days after such notice is sent to the Owners.
5. **Uniform Rate of Assessment.** Both annual and special assessments must be fixed at a uniform rate for all Lots, divided equally among all Lots and may be collected on a bi-annual or monthly basis.
6. **Assessment Estoppel.** The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association, setting forth whether assessments on a specified Lot have been paid. Such certificates shall be binding on the Association.
7. **Effect of Nonpayment of Assessments. Remedies of the Association.** Upon default in the payment of any one or more installments of an annual, special, or specific assessment, the entire balance of said assessment may be accelerated at the option of the Board and be declared due and payable in full, immediately. Any assessment or fine not paid within thirty (30) days after the due date (including the entire annual assessment if payment is accelerated as provided for herein) shall bear interest from the due date at the rate of ten percent (10%) per annum. In the event of a default in the payment of an assessment, the Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the Lot. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or

Limited Common Area or abandonment of his or her Lot.

8. **Subordination of the Lien to Mortgages.** The lien of the assessment and fines provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect an assessment lien. However, the sale or transfer of any Lot pursuant to foreclosure of a first mortgage or any proceeding in lieu thereof shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due.

Article VIII **AMENDMENT OF DECLARATION**

1. **By Declarant.** In addition to specific amendment rights granted elsewhere in this Declaration, until one year after Declarant has conveyed all Lots to third parties, Declarant may unilaterally amend or repeal this Declaration for any purpose. Further, Declarant may unilaterally amend this Declaration if such amendment is necessary to (i) bring any provision into compliance with any applicable governmental statute, rule, regulation, or judicial determination; (ii) enable any reputable title insurance company to issue title insurance coverage on a Lot; (iii) enable any institutional or Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to make, purchase, insure or guarantee mortgage loans on a Lot; or (iv) to satisfy the requirements of any local, state or federal governmental agency. No amendment adopted by the Declarant pursuant to this section may materially reduce an Owner's rights to enjoy a Lot or impose a materially adverse monetary or performance obligation or adversely affect any of the rights of Mortgagees.
2. **By Members.** Except as otherwise specifically provided above and elsewhere in this Declaration, this Declaration may be amended only by the unanimous vote or written consent, or any combination thereof, of the Members.
3. **Validity and Effective Date.** No amendment may remove, revoke, or modify any right or privilege of the Declarant without the written consent of the Declarant. If an Owner consents to any amendment to this Declaration or the Bylaws, it will be conclusively presumed that such Owner has the authority to consent, and no contrary provision in any Mortgage or contract between the Owner and a third party will affect the validity of such amendment. Any amendment of this Declaration shall become effective upon recording in the public records either an amendment executed by the Declarant, as permitted by Section VIII.I, or the required number of Owners or a certificate executed by an officer of the Association stating that the required number of Owners approved the amendment and stating the contents of the amendment. In no event shall a change of conditions or circumstances operate to amend any provisions of this Declaration.

Article IX
MORTGAGEE, PROTECTIVE PROVISIONS; INSURANCE; CONDEMNATION

1. **Mortgagee**. The term "Mortgagee" shall mean the holder of a mortgage on any Lot and shall include a beneficiary under a deed of trust, as well as any insurer, re-insurer, or guarantor of the mortgage, such as but not limited to FHA, VA, FNMA, WCDA, or FHLMC.
2. **Relief from Lien**. A Mortgagee who comes into possession of a Lot pursuant to the remedies provided in the first mortgage, shall take the Lot free of any claims for unpaid assessments or charges against the Lot which occurred prior to the time such Mortgagee comes into possession of the Lot and the sale or transfer of a Lot pursuant to a foreclosure of a first mortgage shall extinguish a subordinate lien for Association assessments and charges which became payable prior to such sale or transfer.
3. **Insurance Coverage**. The following provisions shall apply regarding insurance requirements:
 - (a) **Policy Coverage**. The Board shall secure and maintain in effect a policy of fire and extended coverage insurance in an amount equal to the full replacement value (i.e. 100% of the current "replacement cost" exclusive of items normally excluded from coverage) of the Common Area and Limited Common Area improvements situated in the Property. The Board shall also secure and maintain in effect a policy of liability coverage for personal injury, damages, or death in an amount customary in Teton County, Wyoming.
 - (b) **Owner-required Coverages**. Each Owner shall have the sole responsibility to maintain casualty insurance in relation to the Owner's Lot, and the exterior, interior and contents of such Lot. Each Owner shall maintain casualty insurance for the full replacement value of such Owner's Lot and shall, if required by the Board, maintain commercially reasonable liability coverage.
 - (c) **Mortgagee's Ability to Place Coverage**. All first Mortgagees may, jointly or singly, pay any overdue premiums on the aforesaid casualty insurance policies, or secure new insurance coverage on the lapse of a policy.
 - (d) **Priority Rights and Insurance Proceeds or Condemnation Awards**. All insurance policies shall provide that no Owner or any other party shall have priority over the rights of the first Mortgagees in the case of distribution of insurance proceeds or condemnation awards for loss to or the taking of the Common Area or Limited Common Area or the Association's improvements located thereon.

4. **Condemnation.** In the event that any portion of a Limited Common Area shall be subject to eminent domain or a conveyance in lieu of condemnation, the Owner whose Lot was affected or who holds the right to the appurtenant Limited Common Area shall have the right to all condemnation proceeds, subject to any payment requirements to a Mortgagee, and subject to any award for common utilities or facilities, which shall be granted to the Association for reconstruction or repair of such common utilities or facilities.

Article X GENERAL PROVISIONS

1. **Enforcement.** The Association, or any Owner, or, during any period in which the Declarant owns any portion of the Property and for a period of five years thereafter, the Declarant, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of the Governing Documents. Enforcement may include but shall not be limited to seeking relief by injunction or specific performance. In connection with any action for enforcement, the prevailing party shall be entitled to recover its costs and expenses (including reasonable attorney's fees) incurred in bringing such action.
2. **Indemnification.** The Declarant, the Board, and their officers, employees, and agents shall not be liable to any party for any action or inaction taken by them with respect to any provision of the Governing Documents, provided such individual acted in good faith. All such individuals shall be indemnified and held harmless by the Association from liability, damages, and expense, including reasonable attorney's fees, for any decision or action or inaction they may have taken while acting within the scope and course of their duties.
3. **Declarant as Beneficiary.** Notwithstanding anything to the contrary contained in this Declaration, the Declarant shall be deemed a third-party beneficiary of this Declaration and shall have the right and standing to enforce the terms of this Declaration as provided herein.
4. **No Waiver.** The failure of the Board or the Declarant or any Owner or their agents to insist, in one or more instances, upon the strict performance of any of the covenant, condition, or restrictions of this Declaration, or to exercise any right or option herein contained, or to serve any notice or to institute any action, shall not be construed as a waiver or a relinquishment, for the future, of such term, covenant, condition or restriction, but such term, covenant, condition or restriction shall remain in full force and effect. The receipt and acceptance by the Board or its agent of the payment of any assessment from an Owner, with knowledge of the breach of any covenant hereof, shall not be deemed a waiver of such breach, and no waiver by the Board of any provision hereof shall be deemed to have been made unless expressed in writing and duly signed by or on behalf of the Board.
5. **Owner's Obligations Continue.** The Owner of a Lot shall have no obligation for expenses or other obligations accruing after he/she sells his/her entire interest in such Lot with the

exception for interest that may accrue on an overdue assessment or fine which was the personal obligation of such Owner.

6. **Number and Gender.** Whenever used herein, unless the context shall otherwise provide, the singular number shall include the plural, the plural the singular, and the use of any gender shall include all genders.
7. **Severability.** If any of the provisions of this Declaration or any clause, paragraph, sentence, phrase, or word or the application thereof in any circumstances be invalidated, such invalidity shall not affect the validity of the remainder of the Declaration, and the application of any such provision, paragraph, sentence, clause, phrase, or word in any other circumstance shall not be affected thereby.
8. **Construction by Declarant.** Nothing in this Declaration, or any action taken by the Association, shall limit the right of Declarant to complete construction of improvements to the Property owned by Declarant or to alter the foregoing, or to construct such additional improvements as Declarant deems advisable prior to completion and sale of all Lots. Such right shall include, but shall not be limited to, erecting, constructing, and maintaining on the Property such structures and displays as may be reasonably necessary for the conduct of its business of completing the work and disposing of the same by sale, lease, or otherwise. This Declaration shall not limit, nor shall any action of the Association limit, the right of Declarant at any time prior to the sale of all Lots by Declarant to establish on the Property additional easements, reservations, and rights of way to itself, to utility companies, or to others as may from time to time be necessary to the proper development and disposal of the Lots.
9. **Mechanics Liens.** No labor performed or services or materials furnished with the consent of or at the request of an Owner or his/her agent or her/his contractor or subcontractor shall be the basis for the filing of a lien against the Lot of any other Owner, or against any part thereof, or against any other property of any other Owner or the Association, unless such other Owner or Association, as applicable has expressly consented to or requested the performance of such labor or furnishing of such materials or services. Such express consent shall be deemed to have been given by the Owner of any Lot in the case of emergency repairs thereto. Labor performed or services of materials furnished for the Property or any portion thereof, if duly authorized by the Association, shall be deemed to be performed or furnished with the express consent of each Owner of that portion of the Property.
