WIRE FRAUD ADVISORY

Parties to a real estate transaction are often targets for wire fraud and financial confidence schemes, unfortunately with many losing tens or hundreds of thousands of dollars because they relied (without verification) on “revised” or “new” wire instructions appearing to come from a trusted party to the transaction.

IF YOU INTEND TO WIRE FUNDS IN CONJUNCTION WITH THIS REAL ESTATE TRANSACTION, WE STRONGLY RECOMMEND THAT YOU VERBALLY VERIFY THOSE INSTRUCTIONS THROUGH A KNOWN, TRUSTED PHONE NUMBER PRIOR TO SENDING FUNDS.

In addition, the following self-protection strategies are recommended to minimize exposure to possible wire fraud.

- **DO NOT RELY** on emails purporting to change wire instructions. Wyoming Title & Escrow, Inc. will never change its wire instructions in the course of a transaction. If you receive a random or unsolicited email from anyone requesting funds to be wired, and attaching “new,” “alternate,” “updated,” “revised” and/or “different” wire instructions, contact your escrow officer immediately (at a verifiable number in the manner noted below) and before wiring any money.
- **VERIFY** the wire instructions you do receive by calling the party who sent the instructions to you. However, **DO NOT** use the phone number provided in the email containing the instructions, and **DO NOT** send a reply email to verify, since the email address may be incorrect, fraudulent or being intercepted by the fraudster. Rather, use phone numbers you have called before and/or can independently verify through other sources (company website or internet search).
- **USE COMPLEX PASSWORDS** that are at least ten (10) characters long and contain a combination of mixed case, numbers, and symbols. You should also change your password often and not reuse the same password for other online accounts.
- **ENABLE MULTI-FACTOR AUTHENTICATION** for all email accounts. Your email provider may have specific instructions on how to implement this feature.
- **CHECK FOR AUTO-FORWARDING** on your email account and disable it. This is one of the most “silent” ways a fraudster can monitor your email account because every email that comes in is automatically forwarded to them, even if you change your password.

This Notice is not intended to provide legal or professional advice, nor is it an exclusive list of self-protection strategies. Customers are encouraged to always be aware of such schemes, and to contact their escrow officer if ever in doubt.

NOTICE
FEDERAL FOREIGN INVESTMENT IN REAL PROPERTY TAX ACT OF 1980 (FIRPTA)

Upon the sale of United States real property, by a non-resident alien, foreign corporation, partnership or trust, the Foreign Investment in Real Property Tax Act of 1980 (FIRPTA), and as revised by the Tax Reform Act of 1984 (26 USCA 897 (C)(1)(A)(1) and 26 USCA 1445), Revised by the Path Act of 2015, These changes may be reviewed in full in H.R. 2029, now known as Public Law 114-113. See Section 324 of the law for the full text of FIRPTA changes. Effective February 27, 2016, the amendments to FIRPTA contained in the PATH Act have increased the holdback rate from 10% of gross proceeds to 15% of gross proceeds of the sale, regardless of whether the actual tax due may exceed (or be less than) the amount withheld if ANY of the following conditions are met:

1. If the amount realized (generally the sales price) is \$300,000 or less, and the property will be used by the Transferee as a residence (as provided for in the current regulations), no monies need be withheld or remitted to the IRS.
 2. If the amount realized exceeds \$300,000 but does not exceed \$1,000,000, and the property will be used by the Transferee as a residence, (as provided for in the current regulations) then the withholding rate is 10% on the full amount realized (generally the sales prices)
 3. If the amount realized exceeds \$1,000,000, then the withholding rate is 15% on the entire amount, regardless of use by the Transferee. The exemption for personal use as a residence does not apply in this scenario.
- If the purchaser who is required to withhold income tax from the seller fails to do so, the purchaser is subject to fines and penalties as provided under Internal Revenue Code Section 1445.

Escrow Holder will, upon written instructions from the purchaser, withhold Federal Income Tax from the seller and will deposit said tax with the Internal Revenue Service, together with IRS Forms 8288 and 8288-A. The fee charged for this service is \$25.00 payable to the escrow holder.

4. Cookies and similar technologies

We use "cookies" and similar technologies when you access our websites or mobile applications. A "cookie" is a piece of information that our website sends to your browser, which then stores this information on your system. If a cookie is used, our website will be able to "remember" information about you and your preferences either until you exit your current browser window (if the cookie is temporary) or until you disable or delete the cookie. Many users prefer to use cookies in order to help them navigate a website as seamlessly as possible.

We use "cookies" in the following situations. The first situation is with respect to temporary cookies. If you are accessing our services through one of our online applications our server may automatically send your browser a temporary cookie, which is used to help your browser navigate our site. The only information contained in these temporary cookies is a direction value that lets our software determine which page to show when you hit the back button in your browser. This bit of information is erased when you close your current browser window. The second situation in which we may use cookies is with respect to permanent cookies. This type of cookie remains on your system, although you can always delete or disable it through your browser preferences. There are two instances in which we use a permanent cookie. First, when you visit our website and request documentation or a response from us. When you are filling out a form, you may be given the option of having our website deliver a cookie to your local hard drive. You might choose to receive this type of cookie in order to save time in filling out forms and/or revisiting our website. We only send this type of cookie to your browser when you have clicked on the box labeled "Please remember my profile information" when submitting information or communicating with us. The second instance where we use a permanent cookie is where we track traffic patterns on our site. Analysis of the collected information allows us to improve our website and the user experience. In both instances of a persistent cookie, if you choose not to accept the cookie, you will still be able to use our website. Even if you choose to receive this type of cookie, you can set your browser to notify you when you receive any cookie, giving you the chance to decide whether to accept or reject it each time one is sent.

The Assured shall permit the Company to sue, compromise or settle in the name of the Assured and to use the name of the Assured in any transaction or litigation involving these rights or remedies.

GUARANTEE CONDITIONS (Continued)
