FORCE TYPE*

SOFT HAND TECHNIQUE – GROUND STABILIZATION
CONDUCTED ENERGY WEAPON-TASER

DATE AND CFS#

12/13/2022 2214 HOURS 2212-1318

REASON FOR CONTACT AND FORCE USED

On December 13, 2022, at 2214 hours, officers were dispatched to a bar for a subject who refused to leave after being told to do so many times. Officers contacted the 24-year-old Jackson resident and told him to leave the establishment, but he would not. Officers explained why he needed to leave but he remained in the building still. Officers told the male he was under arrest for criminal trespass and the male actively resisted arrest. The male was taken to the ground to facilitate handcuffing. During the scuffle a CEW deployment was made on the male to gain compliance but failed. The male was taken into custody after other officers arrived to assist. The subject was charged with criminal trespass and interference with a peace officer.

Injury to male: NONE
